

FDA Certificate for

1126NK

On behalf of IRPC Public Company Limited, we hereby certify that Polypropylene Homopolymer Grade 1126NK complies with the United State 21 CFR Food and Drug Administration (FDA) Regulation part 177.1520 which allows the polymer to be used in food contact applications.

The scope of this statement is within the details of the above mentioned regulation only, and does not cover the modification, processing, and conversion of the finished product. It is the responsibility of the converter/ user of the product to determine and appropriate the regulatory suitability for food contact compliance.

This information is valid until December 31, 2012

Certified by: Brahm J,

(Bualom laikaew) Polymer Development & Technical Service Division

Revision: December 2011 Note: The above shall be committed quality, actual material quality will be submitted in term of certificate of analysis. Any comment of the above, please do not hesitate to let us know. This certificate may not be reproduced except in full unless permission for the reproduction has been in writing from the Laboratory.
