Plant : 401 Ayer Merbau Road, Singapore 628285

Co. Reg. No.: 198001666D

Our Ref : TC-060213
Date of Issue : 02 MAR 2007

To :

TPC confirm that substances regulated by the EU Directive 2002/95/EC "on the restriction of the use of certain hazardous substances in electrical and electronic equipment" : lead, cadmium, chromium (VI) and mercury as well as polybrominated bipheyls and polybrominated diphenyl ethers are not intentionally used in the manufacture of our product TPC COSMOPLENE grade FA8013E & COSMOTHENE grades F101, F410-1, F410-7.

Therefore we consider the requirement of EU Directive 2002/95/EC as fulfilled. However, since the presence of the substances restricted by this Directive cannot be reasonably expected, the absence has not been checked by test.
