**Please Note**

COMMISSION REGULATION (EU) No 453/2010 amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

This amends REACH Annex II and allows:

1. Formulators and distributors (both per EU definition) must omit the last four digits of registration numbers on their SDS to prevent identification of the supplier of the substance in question.
2. The full number must be kept by the formulator or distributor who will provide it to the competent authorities upon request.

**You must follow this procedure throughout the supply chain.**
